The ultimate all-round play construction

The **QUADRO ULTIMATE** offers extremely different models like the **Baby Ballcage with Baby Slide** or a fully closed **Knight's Castle** suitable to be filled with balls (Art. 126 00).

The **ULTIMATE** is a result of customer queries for a **GIANT CONSTRUCTION KIT** including features near the **Baby Playcenter** (Art. 571 20) with steps of only **20 cm height** suitable for children aged **1 year and above**.

During the childhood the **ULTIMATE** also allows you to build models with a second floor providing play experience for children at an age of about **3 years** with increased **fine motor skills**.

The **ULTIMATE** includes **747 components** including special parts like the **QUADRO Baby Ballcage roof** (Art. 000 11), the **QUADRO Aluminum Profiles** (Art. 402 47) and the **QUADRO Double tube connectors** (Art. 009 55) which let you build the **Baby Slide** or the **Ramp**.

The **ULTIMATE** is a true **all-round play construction** in the **QUADRO** product range, always transformable and adaptable for **all ages** including **luxury equipment**.

Ultimate DREAMS

The ultimate play paradise

The combination of **ULTIMATE** with slide is a **real dream team!**

It is possible to create fantastic models, which will not only amaze your own children, but for sure also catch the attention of neighbor's children.

No matter if **Modular-, Integrated-, or Curved Slide** – simply select your favorite slide and let your ideas run wild!

The ultimate dream team is a combination of **ULTIMATE** (Art. 166 99), **SLIDE** and **POOL L** (Art. 116 70). Especially the **POOL**, in the summer, gives a great cooling experience for your children.

Let your garden turn to the **ultimate playing paradise** where children can run wild!
